- **Love:** God's nature is inherently loving, demonstrated by His desire for fellowship and ultimate sacrifice.

### Thanksgiving

*"Enter His gates with thanksgiving, And His courts with praise.  
Give thanks to Him; bless His name." (Psalm 100:4)*

- We rejoice in the encouraging signs of recovery for **Maya Gebala**, the 12-year-old girl who was critically injured in the Tumbler Ridge tragedy earlier this year. We thank the Lord that Maya has begun communicating through a tablet and continues to make meaningful progress. May God complete the good work He has begun in her healing journey.
- We give praise to God for drawing His people into deeper prayer and dependence upon Him. How grateful we are for the open access we have to our Heavenly Father through the saving work of Jesus Christ and the assurance that He hears and answers prayer according to His perfect will.
- We thank the Lord for His continued faithfulness in **Kenneth G.'s** recovery. We are grateful for his successful transition to a rehabilitation facility and pray that this next stage of care will further strengthen and restore him.
- We praise God for the commitment of the **Revitalization Team** as they faithfully seek His direction through prayer. We are thankful for their willingness to intercede on behalf of our church family and to pursue God's vision for the future of our congregation.
- We give thanks for the generosity shown through the recent donations of canned protein for **The Compass** ministry. May these gifts be a tangible blessing to those in need and a testimony of Christ's love within our community.

- We are grateful for God's provision through the faithful stewardship and generous giving of our church family. May the Lord continue to supply all that is needed for the ministries of LPBC as we seek to serve Him and share the Gospel in our community and beyond. 🙏

## Healing

## Church

***"Ask the Lord of the harvest, therefore, to send out workers into his harvest field." (Matthew 9:38)***
