❧ *Flower Watering Volunteers Needed* ❧

Joe Larizza grew petunias from seed this past winter – they are planted in two large urns outside the south parking lot entrance door and in the existing urn that sits on gravel within the south parking lot.

There are a few watering cans located by the hose to the right of these side doors – if you would be so kind to check the need for water as you come to the church for activities or for Sunday service? **If they need a drink, please grab a watering can and give them a drink.** Both the plants and Joe would appreciate it!
